YEAR PLANNER

2023

VISION

To be a leading research-intensive university in Africa, recognised internationally for its quality, relevance and impact, as also for developing people, creating knowledge and making a difference locally and globally.

MISSION

In pursuing recognition and excellence in its core functions of research, teaching and learning, and integrating engagement with society and communities into these, the University of Pretoria will use quality, relevance, diversity and sustainability as its navigational markers.

THE UP WAY is our way of life at the University of Pretoria. It is our ethos, our vibe, our way of life and what we stand for as an institution. It is as much about where we come from as it is about where we are heading to because **THE UP WAY** is about our excellence, perseverance, respect, creativity, innovation, diversity, growth, kindness and making a difference every day. It reflects our culture and what we do to uplift each other and society to make today matter. **THE UP WAY** is what we believe makes the University of Pretoria one of the top universities in the country and the world. It reflects our brand that lives in the hearts and minds of our staff, students and alumni.
